**COMMITMENT  
TO THE SUSTAINABLE  
DEVELOPMENT GOALS**

# DONATIONS AND AID

Numbase supports different NGOs with the aim to alleviate those in need. We provide monetary donations from the revenues generated by the Candle of Hope app.

# PRESERVING THE ENVIRONMENT

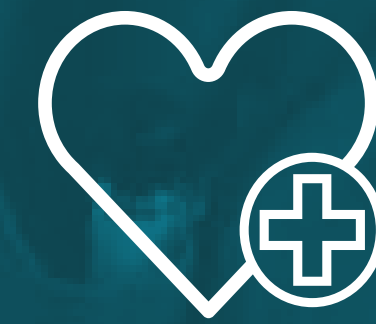

Apart from legal obligations, Numbase is proactive in protecting the environment through its environmentally-friendly technologies and services. HereYouGo digital business cards application, is a leading example on innovation and environmental responsibility. A contact-free way of connecting to business acquaintances while reducing deforestation and CO2 emissions resulting from the production of traditional business cards.

# SUPPORTING **THE COMMUNITY**

Numbase supports community investment, educational programs and nonprofit organizations to promote cultural and economic development of various communities. Our contributions involve Princes Exchange Foundation (donation for Rebecca Dykes Foundation) and NGO funding for Beirut Port Blast including Sa3ed Tas3ad, Khaddit Beirut, Lebanon of Tomorrow, and Fondation Maronite dans le Monde – Solidarity.

# GOOD HEALTH AND WELL BEING

As part of our CSR program, Numbase provides financial donations to various healthcare organizations such as Children's Cancer Center of Lebanon CCCL, AUB iFight Fund, The Inauguration of Ghalia Ayman Jomaa Suite at AUBMC, AUB OpenMinds Fund and Elton John Aids Foundation.

Numbase healthcare initiative includes COVID-19 hospital funding of Nabatieh Governmental Hospital, Rafik Hariri University Hospital and the Lebanese Red Cross (LRC).

# QUALITY EDUCATION

Numbase preserves a budget to make monetary donations with the aim to advance education and community events.

Our company funds different educational institutions and has contributed to the International College of Beirut (IC) and the IC-Creativity and Innovation in a Brave New World event.
